RCCD'S FLYING FIELD

Calling all RCCD Pilots for loads of fun, laughs and challenges! There is absolutely no landing fees for participating in any or all of the five (5) planned events. Come stretch your “horizons” by participating in the Fun-Fly contest events in which there will be 1st, 2nd and 3rd place prizes awarded for each event. All pilots will receive a raffle ticket for each event they participate in, which if drawn will qualify them to select a blind grab-bag prize after all the contests are completed. *All participating aircraft must be traditional winged airplanes.*

Club Fun-Fly Contest Events

Ring Drop: The closest to drop a PVC Ring to the center of a 10 ft. diameter circle wins.

Touch and Go: Time starts at takeoff as a Pilot performs as many touch and go maneuvers as possible in two minutes.

Climb and Glide: Pilot will have 20 seconds from takeoff to gain altitude under power, after which the motor must be cut and the plane kept aloft as long as possible. (Altitude limited to 400 ft.) Note: No powered gliders.

Blind Flight: Time starts at takeoff; ends at engine stop. Pilot estimates elapse of one minute for flight. Closest time to actual wins.

Combined Gas & Electric Airplane Drag Race: Remove the wings and let 'em rip down a 150 ft. straight-a-way. Fastest time wins.

Dead-Stick Landing: Mark a spot on the runway. Pilot takes off, gains altitude and kills engine. Land and roll to the target spot. Closest to target wins.
